

Information for Priscilla Maxwell Endicott Scholarship Applicants

In 1977 the Connecticut Women's Golf Association ("CWGA") established the Priscilla Maxwell Endicott CWGA Scholarship Fund to assist deserving female golfers from the State of Connecticut in obtaining four years of higher education. Mrs. Endicott, an amateur golfer of national renown in the 1920's, initially endowed the Fund to encourage junior girl's involvement in golf. Annual contributions from CWGA members and friends of women's golf are added to the Fund.

The PME Scholarship Committee members administer the Scholarship program. The amount of the scholarship will be paid directly to the accredited college of the applicant's choice. The decision of the Scholarship Committee will be based on written application forms and a personal interview for qualified candidates.

Scholarship allocations are based on the following eligibility requirements:

1. Candidate must be an amateur woman golfer who is a resident of the State of Connecticut, who is in need of financial assistance and who has been accepted by an accredited school.
2. Applicants may be high school seniors who will be graduating that year, or students already attending an accredited college or university.
3. Submission of completed application by the deadline.
4. Candidates will be selected on the basis of academic achievement, financial need, interest in golf, excellence of character, and a personal interview.

These scholarships should be regarded as "supplementary" and do not provide a major portion of the students' college expenses. Scholarships will be awarded for each year of undergraduate study (defined as four consecutive years from the scholarship award date) as long as the candidate remains in good standing. An official transcript of grades must be sent at the end of each year by the college directly to the PME Treasurer who will then send the scholarship money to the college.
